

# Preparing for the Launch of Peppol e-Invoicing in Australia & NZ *Technology Update*

**Simon Foster**  
ABSIA Director and Vice President

# Peppol

The future is open

## PEPPOL INTEGRATES BUSINESS PROCESSES BY STANDARDISING THE WAY INFORMATION IS STRUCTURED AND EXCHANGED.

Whether you are **sending invoices** or **handling other business transactions**, Peppol delivers a shared digital language for organisations all over the world. And we provide the governance to make it work.

**We are not-for-profit.**

**Our mission is to connect you to the world.**
